6. Do you have lures and bait for sale?

If you forget your own lures we have a variety of lures, bait, fishing gear, and apparel for sale at the Lodge. We have limited selection in stock but we do carry the most popular lures and bait harnesses used in the lakes. Frozen ciscoes are also available for sale. So if you run out or just don't want to pack any more equipment in just ask us and we will be glad to help out.
